Re: **2001 Draft LIHEAP State Plan Revision**

Enclosed are revised copies of pages 7 and 8 to the draft 2001 Low-Income Home Energy Assistance Program (LIHEAP) State Plan. When the draft was initially distributed, there was ECIP Local Funding Proposal-Summary Sheets pending from some of the LIHEAP contractors. Therefore, the allocation percentage for crisis assistance could not be calculated. The revised pages reflect the final percentage to be allocated for crisis assistance. Please replace the previous pages with the updated copies.

Sincerely,

Sandra Vinson  
Deputy Director of Programs
